South Dublin County Council

A vibrant community offering a new way of living

Clonburris

Strategic Development Zone

Clonburris

PLANNING SCHEME | May 2019

A VIBRANT COMMUNITY OFFERING A NEW WAY OF LIVING

PLACE | CHOICE | GROWTH

Clonburris

Strategic Development Zone

Contents

1 Introduction and Vision for Clonburris 1

1.1 Introduction 2
1.2 The Strategic Development Zone Vision 3
1.3 Overarching Principles of the Planning Scheme 4
1.4 Introduction to the Strategic Development Zone Framework 5
1.5 Introduction to the Planning Scheme Area 6
1.6 Policy Context 7
1.7 Strategic Environmental Assessment (SEA) and Appropriate Assessment (AA) 10
1.8 Structure of the Planning Scheme 10

2 Planning Scheme Framework 11

2.1 Land Use and Density 13
2.1.1 Introduction
2.1.2 Character Areas
2.1.3 Types of Development
2.1.4 Extent of Development
2.1.5 Residential Density
2.1.6 Residential Development Standards

2.2 Movement and Transport 23
2.2.1 Introduction
2.2.2 Public Transport Accessibility
2.2.3 Pedestrian and Cycle Movement
2.2.4 Street Network and Vehicular Movement
2.2.5 Bridges
2.2.6 Parking
2.2.7 Transport Assessment and Mobility Management

2.3 Green and Blue Infrastructure 35
2.3.1 Introduction
2.3.2 Green Infrastructure Network

2.4 Urban Centres 39
2.4.1 Introduction
2.4.2 Place Making
2.4.3 Urban Design
2.4.4 Restrictions on Uses

2.5 Retail 43
2.5.1 Introduction
2.5.2 Retail
2.5.3 Clonburris Urban Centre – Core Retail Area
2.5.4 Kishoge Urban Centre - Core Retail Area
2.5.5 Local Nodes
2.5.6 Local Shops
2.5.7 Applications for Retail Development

2.6 Economic 47
2.6.1 Introduction
2.6.2 Location of the Employment Floorspace within the Scheme
2.6.3 Employment Floorspace
2.6.4 Design and Land Use Mix
2.6.5 Home Working

2.7 Community Facilities and Public Services 49
2.7.1 Introduction
2.7.2 Community Buildings
2.7.3 Other Community Facilities

2.8 Built Form and Design 53
2.8.1 Introduction
2.8.2 Design Criteria
2.8.3 Block Size and Form
2.8.4 Topography, Street Interface and Urban Grain
2.8.5 Street and Junction Design
2.8.6 Building Heights and Street Widths
2.8.7 Privacy and Overlooking
2.8.8 Sunlight and Daylight
2.8.9 Energy Efficiency and Resilience
2.8.10 Design of Parking and Loading
2.8.11 Street Planting, Furniture and Materials
2.8.12 Boundary Treatment

2.9 Services, Infrastructure and Energy Framework 67
2.9.1 Introduction
2.9.2 Water Supply
2.9.3 Foul Water Drainage
2.9.4 Strategic Flood Risk Assessment (SFRA)
2.9.5 Surface Water Drainage and Sustainable Urban Drainage System (SUDS)
2.9.6 Gas
2.9.7 Telecommunications Infrastructure
2.9.8 Energy and Climate Change Mitigation
2.9.9 Waste Management and Recycling Facilities
2.9.10 Topography
2.9.11 Aerodromes
2.9.12 Noise
2.9.13 Construction Environmental Management Plans

2.10 Landscape and Open Space 77
2.10.1 Introduction
2.10.2 Proposed Open Space
2.10.3 Hierarchy of Open Space

2.11 Biodiversity and Natural Heritage 85
2.11.1 Introduction
2.11.2 Biodiversity and Natural Heritage Features
2.11.3 Place Names

2.12 Archaeological and Architectural Heritage 89
2.12.1 Introduction
2.12.2 Architectural Heritage
2.12.3 Archaeological Heritage

2.13 Overall Proposals for Development 93

3 Character Areas and Development Areas 99

3.1 Introduction 100

3.2 Character Areas 102

3.3 Development Areas 104

Development Area 1: Clonburris Urban Centre
Development Area 2: Clonburris South East
Development Area 3: Clonburris South West
Development Area 4: Clonburris North East
Development Area 5: Clonburris North West
Development Area 6: Kishoge Urban Centre
Development Area 7: Kishoge North West
Development Area 8: Kishoge South West
Development Area 9: Kishoge South East
Development Area 10: Kishoge North East
Development Area 11: Adamstown Extension
Development Area 12: Canal Extension

4 Phasing 131

4.1 Introduction 132

4.2 Phasing Programme 133

4.3 Phasing Table 134

4.4 Place Making 136

4.4.1 Clonburris Retail Core
4.4.2 Kishoge Retail Core

4.5 Local Level Requirements 139

4.6 Sequential Approach to Development 139

4.7 Operation of Phasing Programme 140

4.8 Planning Applications 140

4.9 Monitoring and Review 140

4.10 Funding and Implementation 140
